Batting

Label	Meaning	Description
M	Matches	Number of games played
I	Innings	Number of times the player batted
NO	Not Out	Number of times the player was not dismissed
HS	Highest Score	The player's highest run tally in an individual innings. Suffixed with an asterisk if not out.
Runs	Total Runs	The total number of runs made by the player
Ave	Average	Average number of runs per completed innings, ie runs ÷ (innings - not outs)
100s	Hundreds	Number of times the player scored over 100 in an innings
50s	Fifties	Number of times the player scored between 50 and 99 in an innings
0s	Ducks	Number of times the player was dismissed before scoring a run
DNB	Did Not Bat	Shown in the HS column when the player hasn't batted this season.

Bowling

Label	Meaning	Description
G	Games	Number of games played
O	Overs	Number of overs bowled (Unfinished overs displayed as Overs.Balls)
M	Maidens	Number of overs bowled where no runs were scored off the bat, or via wides or no-balls.
Runs	Runs	Number of runs attributed to the bowler (ie, off the bat, or via wides and no-balls)
W	Wickets	Number of wickets taken
Ave	Average	Average runs per wicket, ie. Runs ÷ Wickets
Best	Best Bowling	This shows the bowling figures (as Wickets/Runs) when the bowler has taken the most wickets for the least number of runs (with wickets being the main factor, ie. 2/20 is better than 1/5).
5WI	5 Wickets in an Innings	Number of innings in which the bowler claimed at least 5 wickets
Str	Strike Rate	The average number of balls bowled for each wicket, ie. (Completed Overs x 6 + Remaining Balls) ÷ Wickets
Eco	Economy Rate	The average number of conceded runs per over, ie Runs ÷ Overs

NOTE: All T20 statistics relate to the T20 specific competition and do not include T20 games from the normal competition.
