Sandy Creek Legends

On Saturday 25th February 2023, three more SCCC Life Members were elevated to Legend status, joining the five original inductees:

**Bill
Warner**

**Gordon
Bellchambers**

**Anita
Warner**

**Brian
Grant**

**John
Warner**

To qualify as a Legend, both on field and off field contributions are taken into account, their influence on the club, along with longevity and continuity of service.

The three new Sandy Creek Legends are:

Tim Pennington

In a career spanning 20 years, from 1986 to 2006, Tim Pennington played 170 games for the Cockatoos, the vast majority of them in the B-Grade.

Renowned more for his fielding than his batting, Tim took some brilliant catches in his heyday and clocked up many fielding votes.

In his 112 innings, Tim made 40 ducks and also had 40 not outs, while scoring 516 runs at 7.17 with a top score of 51 not out in the C-Grade.

Off the field, Tim was a committee member for many years, and actually wrote Sandy Creek Cricket Club's first constitution from scratch, with no guidance or blueprints whatsoever to work from.

An absolutely brilliant effort!

Sandy Creek Legends

Peter Roberts

Peter "Rooy" Roberts has never played a single game of cricket for Sandy Creek. He was always a baseballer. But he has been involved with Sandy Creek ever since he brought his boys out as juniors back in the 1980s.

Rooy is always willing to pitch in and help out, whether that is serving drinks behind the bar or curating the pitch, or little things like just tidying up, picking up rubbish, putting chairs away or cleaning the barbecue. And he's been doing this for decades – not for any accolades – just because things need doing and that's the sort of guy he is.

It's people like Rooy who keep sporting clubs alive and thriving, and he was a very popular addition to the Legends, joining Anita Warner as the second inductee to have never taken the field as a player.

Corey Roberts

It is an incredibly fitting tribute that Corey Roberts is the first person to be made a Legend of Sandy Creek while still playing. You name it, he's done it, and his record on and off the field stacks up well against all the other Legends.

On the field, Robbo has done it all. Multiple A-Grade premierships, A-Grade premiership captain, A-Grade premiership coach, club record holder for games played and runs scored, association representative.

Off the field he's done just as much, if not more. Robbo has been on the executive of the club and the association for decades, he's coached junior sides and run the junior programme, helped organise many social events and he's also sponsored the club for many years.

In 385 games Corey has made just shy of 9000 runs at 31.4 with a top score of 199, and he has taken 471 wickets at 15.3, striking every 25 balls.
