Northern Districts Cricket Club are holding Junior Trials for all players. If you are interested in trialing for this proud club, please read below.

Northern Districts is a club with a strong junior's program run by quality coaches. We have a history of providing support and growth to all our young players. All players, **current and new**, will be expected to try out if they would like the chance of playing Premier Cricket for our club.

After the trials those who are successful will move through to squads, unfortunately some players will miss out on selection as Premier Club Cricket is competitive.
