Sandy Creek Legends

On Saturday 8th February 2025, two more SCCC Life Members were elevated to Legend status, joining the previous eight recipients:

**Bill
Warner**

**Gordon
Bellchambers**

**Anita
Warner**

**Brian
Grant**

**John
Warner**

**Tim
Pennington**

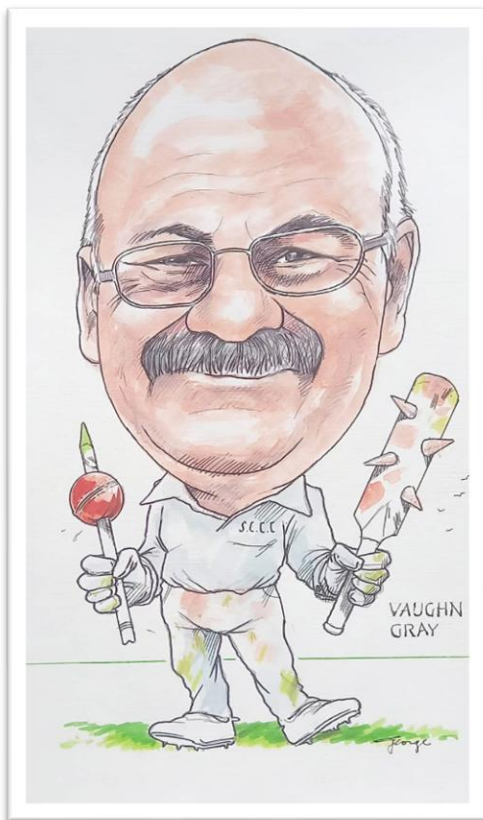

**Peter
Roberts**

**Corey
Roberts**

To qualify as a Legend, both on field and off field contributions are taken into account, their influence on the club, along with longevity and continuity of service.

The two new Sandy Creek Legends are:

Vaughn Gray

Vaughn Gray played with Sandy Creek from 1979 through to 2023 and was the fourth player in the history of the club to play 300 senior games.

He was the 2nd player to score over 7000 runs, finishing with 7022 at an average of 26.01, including 3 centuries and a highest score of 112. He took 144 wickets at a very impressive average of just 13.4, with best bowling of 4/17.

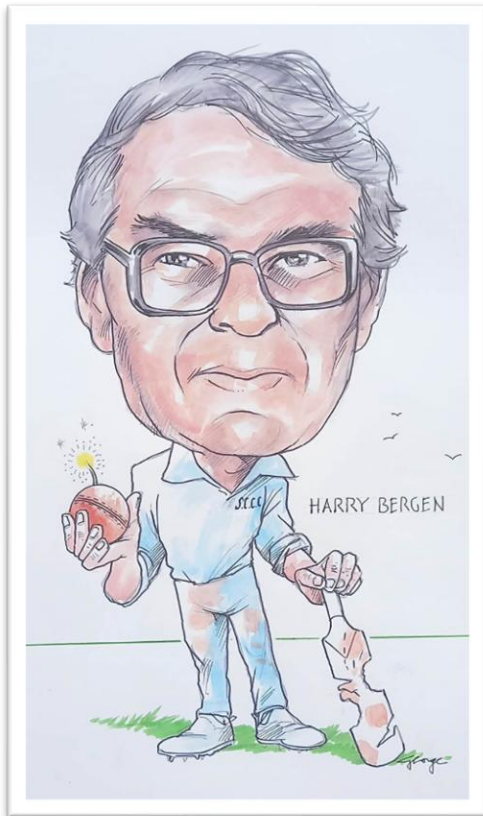

Vaughn was a member of our first Junior Colts team in 1979/80, playing seniors in the same year. He also scored the first Junior Colts century with 103, in an opening stand of 177 with Darren Lehmann against Two Wells the following season.

Vaughn actively served in a variety of committee positions over the years and was awarded "Club Person of the Year" in 1983/84. He played in two club premierships in Para Districts Association: Grade 4 in 1988/89 and Grade 2 in 1991/92. In 2013/14 Vaughn was awarded B-Grade Cricketer of the Year and backed this up the following year with the C-Grade Cricketer of the year.

Vaughn was awarded Sandy Creek Life Membership alongside his late brother Shane, another great club man, and followed in the footsteps of his step-brother Steve Oats and Steve's dad, Alby.

As a cricketer, and as a club man, Vaughn was a great competitor and a huge influence on the multiple generations of players he played with, in a career spanning 44 years.

Sandy Creek Legends

Harry Bergen

Harry Bergen played from 1967 to 1979 after moving from the Gawler and Riverside clubs.

A left-handed bat, statistics held reflect that he played 95 games for Sandy Creek scoring 1,003 runs and took 30 wickets. Most of those wickets must have been taken prior to the first season of the B-Grade, as Harry kept wickets in most games during that first season. That was probably because he was the only one tall enough to see over the stumps!

In that first season, Harry was often one of only two players who were able to drive, such was the age of the team. He was a great leader and team player, ensuring everyone got a go with the bat and the ball, while trying to get the best out of the team.

In the twilight of his playing career at Sandy Creek, Harry was a great mentor and father figure to the youngsters in the team and helped change the makeup of the cricket club.

When Harry joined the club in 1967, the club had no money. On the morning of the game, Harry would go into Super Elliotts Sport Store in Gawler and buy the match ball from his own pocket.

Being an astute businessman with his own mechanical business on Para Road at Evanston, Harry helped establish a series of fundraising events at the club. Sandy Creek held dances in the old hall, which was located where the current hall is today. A band comprising his son Garry, brother Mick and nephew Kevin often provided the music. Harry would MC the show, running fundraising activities through the night. These dances were a regular event in the calendar until the late 1970's or early 1980's.

Back then, the oval had a concrete centre wicket but no nets, so Harry made a set of transportable nets that could be carried and easily assembled out in the middle. He then made the club's first bowling machine. The oval back in the day never looked like it does today, and there wasn't a mower to keep the nutweed and salvation jane down. So, Harry made a slasher with an old Volkswagen engine, which he towed behind his old Valiant.

Harry served on the club committee for many years, even beyond his playing days, holding several positions, most notably as club chairman. After his playing days, Harry encouraged us to continue fundraising events, leading the younger folk to run a couple of discos out of the Williamstown Institute.

Harry's impact on Sandy Creek cannot be underestimated and his involvement was the stepping stone to what the club is today.
